MyFleetFinder
Effortless Fleet Management

Service and Trade Fleets

We give HVAC, plumbing, electrical, pest control and field service businesses real-time visibility into vans, trucks, and technicians — so you can dispatch faster, cut fuel and overtime, and back up your team when it matters.

SEE EVERY VAN. PROVE EVERY JOB.

Track every van and truck in real time and send the closest tech when the phone rings.
Get alerts for after-hours use, plan maintenance from real usage data and verify service with GPS-based proof of visit, even if you're not on-site.

EZ500

Put every van on the same map.

EZAIR II

Smarter Protection. Sharper Insight. Safer Journeys.

The Business Case, In Plain Terms

Service businesses run on vans moving between customer calls all day. Every one of them is a place where money can leak out through idle time, fuel, and overtime, or where your business needs proof of what really happened.
