MyFleetFinder
Effortless Fleet Management

# Towing Services

We give towing companies real-time visibility into every truck and driver, so you can dispatch the closest truck, give customers accurate ETAs, and keep a complete record of every tow.

## SEE EVERY TRUCK. RECORD EVERY TOW.

Track every tow truck in real time and send the closest one to every call. Get alerts for after-hours or unauthorized use and document operations with 360-degree camera coverage and verifiable service logs.

### EZ500

Put every truck on the same map.

### EZAIR II

See what happened when it matters.

### EZ197

Plug in. Track in minutes.

## Know where every truck is and what happens on every tow.

### ACCURATE ETAs

Dispatch the closest truck and keep customers updated on delays.

### PROTECTED BUSINESS

Video evidence settles disputes fast and protects you from false claims.

### SAFER DRIVERS

Real-time alerts catch risky driving before it leads to an accident.

### YARD & LOT ALERTS

Know when a truck enters or leaves your yard or impound lot.
