Device Software Highlights

- Web and mobile app access to MyFleetFinder
- Provides real-time location, speed, heading, stopping and mileage data.
- 1 minute reporting with 5 second GPS intervals plus turns
- Vehicle diagnostics are captured from the OBDII port.
- Real time alerts for check engine light & active diagnostic trouble code
- Advanced dispatch with “closest vehicle” functionality delivering route optimization and minimizing down time between jobs.
- Track maintenance schedules based upon real time mileage data
- Driver behavior monitoring with harsh braking, acceleration and excessive speed alerts with driver coaching module.
- Monitor idling to reduce fuel and unnecessary wear on your vehicle.
- Accurate arrival and departure data relative to any job, which will increase billing accuracy and reduce billing write-offs and disputes.
- Create custom landmarks with real time enter/exit alerting.
- 6 months vehicle mapping history available.
- 24 months of historical data available through vehicle reports.

Specifications

PHYSICAL	
Dimensions	65mm x 46mm x 24.5mm
LOCATION	
GPS	Hot start: <2s Assisted acquisition: 2s Cold Start: 30s Sensitivity: -160dBm
ENVIRONMENT	
Operating Temp	On vehicle power: -40°C to 85°C On battery power: -5°C to 60°C
Shock & Vibration	SAE J1455

POWER	
Power Input	6-24V (48V OVP)
Power Consumption	1.2mA (sleep) - 70mA (peak) @ 12V
Battery (Optional)	Lithium-Ion 220mAh
SENSORS	
Sensors	Accelerometer and Gyro
GLOBAL CELLULAR CONNECTIVITY	
Network	CAT M1
OBDII	
Protocols	ISO-15765, J1939
I/O	
Status LEDs	GPS, cellular, power

OUR WARRANTY

We stand behind our equipment and software solution with our satisfaction guarantees

3-Year Device Warranty – If at any time during normal use your device stops working (excluding physical or water damage, or any change in cellular technology that renders the device obsolete) we will provide a replacement device at no charge. The commencement date is based upon the assignment of a billable rate plan to a device.

30-Day Money-Back – If at any time within 30 days after a device begins tracking you are not completely satisfied with your purchase or our software solution for any reason, we will give you a refund on the original purchase price of your device. (Not applicable with any leased/bundled program and does not include labor (if any).)
